EDUCATION

Thapar Institute of Engineering and Technology

Bachelor of Technology in Computer Science and Engineering

2023 - Present

CGPA: 8.60

Springdales School, Dhaula Kuan

12th Standard CBSE Board

10th Standard CBSE Board

2021 - 2023

Percentage: 96%

Percentage: 92.4%

WORK EXPERIENCE

SDE Intern | Vimo India Pvt Ltd

June'26 - July'26

- Debugged and resolved 30+ Jira tickets, including 8 confirmed bugs, on the HIX health insurance platform using Java, Spring Boot, and SQL.
- Investigated and resolved application issues using Git, Bitbucket, Jira, and Cursor, improving application reliability and reducing recurring defects and raised approved PRs.

PROJECTS

HireSense AI – Intelligent Recruitment Copilot (In Progress) | React.js, Spring Boot, FastAPI, LLM, RAG

Developing an AI-powered recruitment platform that analyzes resumes, performs semantic job matching using RAG and vector embeddings, identifies skill gaps, predicts ATS scores, and generates personalized interview preparation.

Clinicly | MERN Stack, REST APIs, AI Chatbot

Built a full-stack healthcare platform using the MERN stack, developing REST APIs, secure authentication, payment integration, and an AI-powered chatbot with modular backend architecture.

GitHub Link: <https://github.com/IshitaOberoi/clinicly>

Fingerprint Image Classification | Python, PyTorch, ResNet18, MobileNetV2

Built a fingerprint classification system using ResNet18 and MobileNetV2 on 600+ images, achieving 94% test accuracy through transfer learning.

TECHNICAL SKILLS

- **Programming Languages:** Java, Python, C++, SQL, C, R
- **Frameworks:** Spring Boot, Spring MVC, REST APIs, Express.js, React.js, Tailwind CSS
- **Frontend:** HTML, CSS, JavaScript, Vite
- **Databases:** MongoDB, MySQL
- **Machine Learning/AI:** PyTorch, scikit-learn, NumPy, Pandas, Ultralytics YOLOv8
- **Tools & Platforms:** Git, GitHub, Bitbucket, IntelliJ IDEA, VS Code, Cursor, Maven, Postman, MongoDB Atlas
- **Core Concepts:** Data Structures & Algorithms, OOP, DBMS, AI, Machine Learning, Deep Learning

CERTIFICATIONS and ACHIEVEMENTS

- Java Programming and Software Engineering Fundamentals - [Certificate](#)
- Meta Database Engineer - [Certificate](#)
- Spring Framework - [Certificate](#)

LEADERSHIP/ EXTRACURRICULAR

Joint Secretary | ISTE Thapar Chapter

Indian Society for Technical Education of TIET

- Led end-to-end execution of 4+ flagship technical events, managing cross-functional teams across design, tech, publicity and managed budgeting, finances, and official documentation.

Content and Documentation Head | BIOS Hackathon

Bringing Innovation On-Stage Hackathon, CSED x IEEE, TIET

- Spearheaded content strategy and technical documentation, preparing problem statements, reports, and resources for 100+ participants.

Senior Coordinator | CTD at Thapar University

Center for Training and Development of TIET

- Led content design and event branding for major events (Symposium, Corpeureka) while coordinating placement interviews and streamlining processes to support 200+ students' career readiness.
